## **General Information:**

Provide Class A Dress Uniform for all sworn police officers and firefighters. The appearance of our uniformed employees greatly influences public perceptions and imparts a distinct image to our community and fosters an *esprit de corps* amongst the group. The uniform is equivalent to the civilian black tie and our Class A Uniform will distinguish our members from other public safety agencies. The Uniform will be worn during events that would dictate such formality, i.e., award ceremonies, memorials, funerals, graduations, etc.
